PROGRAM REPORT

Event type : INDEPENDENCE DAY
Title of the Event : Plantation Drive
Event Date : 15/08/2020

NSS unit of Vijaya Institute of Technology for Women celebrated the 74th Independence Day with equal fervour and enthusiasm. Since the colleges are closed down, the usual celebrations, performances, gatherings and flag hosting could not glorify the occasion. However, a virtual connect was initiated with the students to run a Plantation Drive from home. The students were encouraged to plant at least one tree at home.

The initiative began on the morning of 15th August, 2020 where children symbolized their patriotism by taking a step forward to make the nation clean and green. They enthusiastically participated in the activity, clicking a lot of pictures and sharing them with their teachers. By the end of the day, the total count of the number of trees planted was estimated around 95.
