“PAPER FLORET EXPO”

I am happy to announce that the NSS unit of VITW is organizing “A Paper Floret Expo” with an aim of making students spend some quality time with color papers and come up with something creative. It would be held in the open space at VITW ground floor on 23rd December, 2020. Interested students are requested to register their names before 21nd December. Flower making competition allows the students to explore ideas and concepts and also develops their motor skills. Students enjoy this activity as they love to rip up colorful sheets of paper to make their very own floral bouquet.

2. Two students per team
3. only craft paper must be used
4. Vase with flowers must be prepared
5. Interested students can enroll their names to NSS coordinator of the respective departments
